*Champions Are Made In Practice*

The **JDSAquatics(JDSA) Swim Club** is a registered **AAU Swimming** Swim Club Team. We have swimmers of all ages with novice/casual abilities, through competitive/advanced experience. We train 12 months per year!

When you join **JDSA**, you will be part of the safest and funnest sport there is! You will get better at each of the four competitive strokes, while strengthening and conditioning your body mentally and physically. You can choose to compete or not. You will feel better, be happier and live healthier while making great friends too!

When you join **JDSA**, your coaches will teach you important life skills such as...

- that passion still counts for something.
- learn how to cope with success and disappointments.
- learn that success both in swimming and in life requires hard work.
- learn to push yourself passed your self-imagined limits.

When you join **JDSA**, you will learn about what it takes to...

- be a part of something bigger than yourself.
- compete with your teammates at **AAU swimming** meets.
- be a team player , and have fun learning to work hard.
- be dedicated and respected by your peers.
- set realistic and obtainable goals for yourself.
